

BULATS (Business English)

Overview:

The BULATS programme is designed for people who speak English as an additional language and need to use English at work, or intend to use English in a business or work environment.

BULATS is recommended for people wanting to:

- improve their general and business-related English language skills and proficiency
- learn strategies for achieving the best possible result in the BULATS test.

The BULATS package is available as a fully-blended programme providing over 170 hours of Online Learning combined with comprehensive classroom resources.

The BULATS Tests

“The Business Language Testing Service (BULATS) is a language assessment service specifically for the use of companies and organisations which need a reliable way of assessing the language ability of groups of employees or trainees.

“The service is designed to test the language of employees who need to use English language in their work, and for students and employees on language courses or on professional/business courses where English language ability is an important element of the course.”*

For further information about the language assessment service and BULATS tests go to www.bulats.org

Level:

Upper-Intermediate to Advanced

Modules:

- Listening
- Reading and Language Knowledge
- Speaking
- Writing

Learning outcomes:

At the end of the BULATS programme, students are expected to be able to apply the skills and strategies taught throughout the course to:

- successfully complete the BULATS assessment
- successfully communicate in a work / business environment.

Recommended for:

- ✓ Students wanting to develop a high level of proficiency in all areas of Business English language and to learn strategies for achieving a high BULATS test score

Future pathways:

BULATS is designed for the growing number of organisations which rely on the English language skills of their employees in order to operate effectively: companies trading in international markets; national and local government departments; or any organisation for whom good, bi- or multilingual communication is an important part of the working day.

BULATS is used by businesses in over 30 countries for recruitment, training, benchmarking and staff development.
